# ORAL HEALTH
Enhancing the Wellness of People with Disabilitie

## Accessible Dental Provider Directory
Downstate New York Area

Operating under The Viscardi Center's network of 501(c)(3) organizations, Project Accessible Oral Health (PAOH) is a global public-private initiative that seeks to address the number one unmet health need for the disability community: equal access to high-quality oral health care. The initiative brings together a consortium of people with disabilities, dental and medical professionals, corporations, organizations, policymakers, educators, caregivers, and other stakeholders in pursuit of greater oral health awareness, education, and overall health and wellness for all.

This directory provides a detailed list of accessible, culturally competent dental providers in the downstate New York area serving children, teens, and adults with disabilities.
